March 4, 2004

Keith Reising  
Good Shepherd Radio, Inc.  
1680 Hwy. 62NE  
Corydon, Indiana 47112

Dear Mr. Reising:

This letter is in response to the Petition for Rule Making you filed requesting the reservation of vacant Channel 266A at Madison, Indiana for noncommercial educational ("NCE") use.

The Commission has revised the standards for reserving an FM channel for NCE use.<sup>1</sup> Under these revised standards, a reservation proponent must demonstrate that it is technically precluded from using a reserved channel and would provide a first and/or second NCE radio service to at least 10 percent of the population within the 1mV/m contour (60dBu) of its proposed station. This revised reservation policy was later extended to existing vacant FM allotments for which an allocation proceeding was initiated prior to the effective date of these standards.<sup>2</sup> To implement the revised reservation policy, the Media Bureau opened a filing window to permit interested parties to file a petition for rulemaking in compliance with the revised reservation policy and with the submission of a complete technical preclusion showing.<sup>3</sup>

A staff engineering analysis reveals that your petition is unacceptable for consideration because your proposal failed to include a complete technical preclusion showing. Specifically, the *Public Notice* required each petitioner to submit reservation requests that satisfy the two distinct criteria listed above as well as a complete technical preclusion showing.

In view of the above, we are returning your petition for rule making.

Sincerely,

John A. Karousos  
Assistant Chief, Audio Division  
Media Bureau

DUPLICATE COPY

In the matter of:  
Amendment of Section 73.202 (b)  
Table of assignments  
FM Broadcast Stations

**PETITION FOR RULE MAKING**

Good Shepherd Radio, Inc. respectfully petitions the Commission to institute rule making  
For rule making for the assignment of FM channel 266A to Madison, IN, amending Section  
73.202 (b) of the Commission's rules as follows:

	Present	Proposed
Madison, Indiana	WORX AM	
	WORX FM	
		CH 266A

**Reasons for Assignment:**

This will bring a First Noncommercial Educational FM station to Madison, IN using an Existing Vacant Allotment.. The proposed 70 dbu and 60 dbu contours will cover 100% of Madison, IN. Madison is in Jefferson County in Southern Indiana. Population is 12,004 (2000 US Census) The city has a Mayor, Town Council, Police and fire departments. A US Post Office and schools, and a large business area.

Attached map shows the proposed 70 & 60 dbu contours as covering the city with required FCC rules. The site is Technically Precluded for any NCE reserved band channel.

Good Shepherd Radio, Inc will apply for the Madison channel if allotted and will build The station promptly.

I certify that all statements contained in this proposal are true, complete and correct and Are made in good faith.

Good Shepherd Radio, Inc, by Keith Reising, Board Member
